Ever since Lisa Airst won our Turning Point New You

Makeover Contest in Metro News, she has been on a path of change and self-discovery.

In February, Lisa touched our hearts with her story of courage as she battled breast cancer and a career change. After winning the \$10,000 prize package that included expert career counselling and workshops from NEX-Career, Lisa plunged into her makeover right away.

► Lisa Airst

"My career counsellor Sandy Johnson has gone above and beyond my expectations. My performance and endurance levels have been raised and I've learned so much. Finding a job is like dealing with

cancer. Sometimes you have bad days but you just keep going."

Lisa also received some good news from the hospital.

"I finished treatment three weeks ago and my

health is good. That was a milestone. Last year was chemotherapy. This summer is liberation. This has been a life-changer. Life is good now and I have a feeling it's going to get even better."
